Advanced Relative Patterns – *practice on paper*

You know the formal links; now build fresh preposition, quantifier, and whose chains for reports and contracts.

Place the **preposition before which/whom**, the **quantifier before of which/whom**, and whose directly before its noun

BRICK 1 · SORT THINGS OR PEOPLE · APPROX. 4 MIN

●○○

Sort each English phrase. On the left, which points to a thing; on the right, whom points to a person.

the charter by which teams are governed

the channel through which requests arrive

the system in which records are stored

the terms to which both sides agreed

the route along which parcels travel

the broker for whom the account was opened

the adviser from whom we sought guidance

the clients for whom we built the portal

the director from whom approval came

the lawyer beside whom Marta sat

WHICH: THINGS	WHOM: PEOPLE

BRICK 2 · COMPLETE THE FORMAL LINK · APPROX. 6 MIN

●○○

Insert exactly the English expression given in the cue. This keeps the preposition, quantifier, and reference unambiguous.

- 01 The protocol _____ the lab works was updated. (use within which)
- 02 We interviewed two consultants, _____ had led audits. (use both of whom)
- 03 The platform _____ changed roles was audited. (use whose owner)
- 04 We called the auditor _____ we discussed the issue. (use with whom)
- 05 The contract has three schedules, _____ expire in June. (use two of which)
- 06 We invited both vendors, _____ missed the briefing. (use neither of whom)
- 07 The consultant _____ Marta forwarded the memo replied today. (use to whom)
- 08 The report _____ were missing was reissued. (use whose appendices)

BRICK 3 · CORRECT THE RELATIVE LINK · APPROX. 7 MIN

Each sentence contains exactly one marked error. Follow the English cue and replace only the named expression.

- 01 The charter under that our units operate is changing. (replace "that" with "which")
.....
- 02 We received two offers, of which both expire Friday. (replace "of which both" with "both of which")
.....
- 03 The vendor with which we met accepted the terms. (replace "which" with "whom")
.....
- 04 The folder contains three reports, most which need signatures. (replace "most which" with "most of which")
.....
- 05 The platform which administrator left needs review. (replace "which administrator" with "whose administrator")
.....
- 06 The panel named three advisers, one of which withdrew. (replace "which" with "whom")
.....

BRICK 4 · WRITE FORMAL RELATIVE CLAUSES · APPROX. 8 MIN

Write one English sentence for each prompt. Keep the formal link directly beside its reference word.

- 01 Report: link an audit standard with against and which.
.....
- 02 Contract: link a contact person with from whom.
.....
- 03 Clauses: name three conditions and use two of which to say that two remain.
.....
- 04 Ownership: build a whose chain from a team and its new lead.
.....

MINI-CHECK – CAN I DO THIS YET?

- ☐ I use which after a preposition for things.
- ☐ I use whom after a preposition for people.
- ☐ I place quantifiers before of which or of whom.
- ☐ I place whose directly before its related noun.

Still unsure? Mark the reference word first, then choose between thing, person, and association.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.
