BRICK 3 · FIND AND CORRECT THE MISTAKE · APPROX. 7 MIN

Each English sentence contains exactly one typical mistake. Correct the false friend, question form, tense, or unnecessary hedge and rewrite the full sentence.

01 My chef approves all recruitment budgets.

.....

02 Actual, I manage the service desk in Bonn.

.....

03 Last Friday, I became the final contract from the legal team.

.....

04 Why you want to work in our procurement team?

.....

05 I work with international customers since 2022.

.....

06 I am maybe good at resolving supplier complaints.

.....

BRICK 4 · BUILD YOUR INTERVIEW ANSWERS · APPROX. 8 MIN

Write in English. Start directly, add one concrete example, and link it to the job where appropriate.

01 Your professional opening: write three sentences about your current role, relevant experience, and the link to the job.

.....

02 Your strength: state it directly, prove it with one finished example, and explain its value for the role.

.....

03 Your weakness: name one real weakness and the concrete step you take to manage it.

.....

04 Your motivation and goal: connect one specific fact about the role to your experience and add a realistic five-year goal.

.....

MINI-CHECK – CAN I DO THIS YET?

☐ I answer directly, give one concrete example, and link it to the job.

☐ I use the present simple for my current role, the present perfect for relevant experience up to now, and the past simple for finished stages.

☐ I avoid the false friends chef, actual, and become when I mean boss, currently, or receive.

☐ I put do before the subject in present simple questions.

Not every box ticked yet? Review the five core questions and improve your examples.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.
