B2 · DETERMINERS · ≈ 27 MIN

Each, Every, Either, Neither – *practice on paper*

You know the four perspectives; now reinforce groups, routines, two-option choices, and singular agreement with fresh examples.

each/every view a group individually or as a whole; **either/neither** select one or zero of exactly two. Agreement is singular.

NAME _____ DATE _____

YOUR BUILD · 1 · SORTING ○ · 2 · FILL-IN ○ · 3 · CORRECT ○ · 4 · WRITE ○

BRICK 1 · SORT BY GROUP AND TWO-OPTION CHOICE · APPROX. 4 MIN ●○○

Sort each phrase. The left column concerns members or routines; the right column concerns a choice between exactly two.

each regional office · every quarterly review · each of the six applicants · every department · each signed copy · either route · neither of the two venues · either candidate · neither proposal · either of the two invoices

GROUP: EACH/EVERY	TWO OPTIONS: EITHER/NEITHER

BRICK 2 · COMPLETE WITH THE RIGHT DETERMINER · APPROX. 6 MIN ●●○

Fill in **each**, **every**, **either**, or **neither**. Check group size, perspective, and agreement.

01 _____ of the seven coordinators receives a login.

02 As one recurring series, it restarts _____ night.

03 Need one room? Book _____ of the two available.

04 Both omit tax, so _____ of the two includes it.

05 For individual tracking, _____ of the five consultants received a numbered badge.

06 As one recurring series, reviews happen _____ Friday.

07 Choose one of the two formats; _____ version will work.

08 Both finalists lacked experience; _____ candidate qualified.

YOUR BUILD · 1 · SORTING · 2 · FILL-IN · 3 · CORRECT · 4 · WRITE

BRICK 3 · FIND AND CORRECT THE MISTAKE · APPROX. 7 MIN

Each sentence contains exactly one error in determiner choice, group size, or agreement. Rewrite it completely.

01 Every of the seven teams submitted a forecast.

02 Neither of the three offers met our deadline.

03 Either of the two routes are available today.

04 Each department submit a separate estimate.

05 We hold the call each Monday as a routine.

06 Neither the two quotes includes delivery.

BRICK 4 · WRITE PRECISE GROUP DECISIONS · APPROX. 8 MIN

Write one English sentence for each prompt. Always name a clear pair when using either and neither.

01 Routine: use every to describe a regular office check.

02 Individual responsibility: assign separate duties to all members using each of.

03 Two-option choice: use either to offer two possible dates or formats.

04 Double rejection: use neither to reject two proposals and give the reason.

MINI-CHECK — CAN I DO THIS YET?

- [ ] I use each for individual members and every for the group or routine.
- [ ] I form each of with a plural group, but never every of.
- [ ] I use either and neither only for exactly two options.
- [ ] I keep the verb singular after each, every, either, and neither.

Still unsure? Mark the group size and perspective first, then try the sheet again.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.

BRICK 1 · SORTING

01 each regional office
Group: each/every: Each views the offices individually.

02 every quarterly review
Group: each/every: Every presents the recurring series.

03 each of the six applicants
Group: each/every: Each of views six people individually.

04 every department
Group: each/every: Every includes all departments in one rule.

05 each signed copy
Group: each/every: Each highlights every individual copy.

06 either route
Two options: either/neither: Either selects one of two routes.

07 neither of the two venues
Two options: either/neither: Neither excludes both venues.

08 either candidate
Two options: either/neither: Either allows one person from the pair.

09 neither proposal
Two options: either/neither: Neither accepts zero of the two proposals.

10 either of the two invoices
Two options: either/neither: Either selects one invoice from the pair.

BRICK 2 · FILL-IN

01 **Each** of the seven coordinators receives a login.
Each-of rule: A specified plural group is viewed individually.

02 As one recurring series, it restarts **every** night.
Routine rule: Every presents all nights as a recurring series.

03 Need one room? Book **either** of the two available.
Two-option rule: Either allows one of exactly two options.

04 Both omit tax, so **neither** of the two includes it.
Two-option rule: Neither excludes both forecasts.

05 For individual tracking, **each** of the five consultants received a numbered badge.
Individual rule: Separate badges focus on every person.

06 As one recurring series, reviews happen **every** Friday.
Routine rule: Every marks the fixed recurring appointment.

07 Choose one of the two formats; **either** version will work.
Two-option rule: Either allows one of two workable versions.

08 Both finalists lacked experience; **neither** candidate qualified.
Two-option rule: Neither excludes both candidates.

BRICK 3 · CORRECT

01 **Each of** the seven teams submitted a forecast.
Of rule: Each can precede a specified plural group; every cannot.

02 **None of** the three offers met our deadline.
Group-size rule: Three options take none rather than neither.

03 Either of the two routes **is** available today.
Agreement rule: Either of takes a singular verb here.

04 Each department **submits** a separate estimate.
Agreement rule: Each takes the singular verb submits.

05 We hold the call **every Monday** as a routine.
Routine rule: Every is the neutral choice for the recurring series.

06 **Neither of** the two quotes includes delivery.
Of rule: Before the specified pair, neither takes the form neither of.

BRICK 4 · WRITE

Answers vary; check perspective, group size, and singular agreement.

01 The access review runs **every Wednesday** before lunch.
Routine rule: Every presents the Wednesdays as a recurring series.

02 **Each of the four advisers prepares** an individual summary.
Each-of rule: The plural group follows of; prepares remains singular.

03 We can meet on Tuesday or Thursday; **either date suits** me.
Two-option rule: Either selects one of two named possibilities.

04 **Neither of the two proposals meets** the safety requirement.
Choice and agreement rule: Neither excludes both and meets stays singular.
