BRICK 3 · FIND AND CORRECT THE MISTAKE · APPROX. 7 MIN

Each sentence contains exactly one error in determiner choice, group size, or agreement. Rewrite it completely.

01 Every of the seven teams submitted a forecast.

.....

02 Neither of the three offers met our deadline.

.....

03 Either of the two routes are available today.

.....

04 Each department submit a separate estimate.

.....

05 We hold the call each Monday as a routine.

.....

06 Neither the two quotes includes delivery.

.....

BRICK 4 · WRITE PRECISE GROUP DECISIONS · APPROX. 8 MIN

Write one English sentence for each prompt. Always name a clear pair when using either and neither.

01 Routine: use every to describe a regular office check.

.....

02 Individual responsibility: assign separate duties to all members using each of.

.....

03 Two-option choice: use either to offer two possible dates or formats.

.....

04 Double rejection: use neither to reject two proposals and give the reason.

.....

MINI-CHECK – CAN I DO THIS YET?

- ☐ I use each for individual members and every for the group or routine.
- ☐ I form each of with a plural group, but never every of.
- ☐ I use either and neither only for exactly two options.
- ☐ I keep the verb singular after each, every, either, and neither.

Still unsure? Mark the group size and perspective first, then try the sheet again.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.
