A1 · TENSES · ≈ 27 MIN

Have Got – *practice on paper*

You have built the lesson — now lock the form in on paper. Fresh examples from office life, same rule: who has what now?

Possession now:	**have got**	with I · you · we · they ·	**has got**	with he · she · it — question: move have/has forward, negative: add not

NAME _____ DATE _____

YOUR BUILD — 1 · SORTING ○ · 2 · FILL-IN ○ · 3 · CORRECT ○ · 4 · WRITE ○

BRICK 1 · SORT BY SUBJECT · APPROX. 4 MIN ●○○

Read each subject quietly. I, you, we, they → write it with **have got** in the left column. He, she, it → write it with **has got** in the right column. Careful: things like "the printer" count as it!

the project manager · my two assistants · Ms. Carter from accounting · you and Ben · the office printer · the new colleagues · our IT department · you and I · Mr. Singh · the interns in Berlin · the new coffee machine · the clients from Zürich

HAVE GOT (I · YOU · WE · THEY)	HAS GOT (HE · SHE · IT)

BRICK 2 · FILL IN THE RIGHT FORM · APPROX. 6 MIN ●●○

Fill in **have got**, **has got**, **haven't got** or **hasn't got** — at the start of a question just **Have** or **Has**. The subject decides.

01 We _____ a new colleague in the sales team.

02 The printer _____ enough paper for the handouts.

03 I _____ my access card today, so I must wait at the front desk.

04 _____ Mr. Singh got a free slot this afternoon?

05 Our accountant _____ the budget numbers yet, so we must wait.

06 _____ you and Ben got the updated agenda for Friday?

07 They _____ two tickets for the trade fair.

08 My new headset _____ a noise filter.

YOUR BUILD

1 · SORTING ○ | 2 · FILL-IN ○ | 3 · CORRECT ○ | 4 · WRITE ○

BRICK 3 · FIND AND CORRECT THE MISTAKE · APPROX. 7 MIN ●●○

Each sentence hides exactly one mistake with **have got/has got**. Underline it and write the whole sentence correctly.

01 She haves got a new company car.

02 Do you have got a moment for a quick call?

03 I don't have got the password for the office Wi-Fi.

04 He have got a second screen on his desk.

05 "Have the clients got their visitor badges?" — "Yes, they got."

06 Ms. Lopez is got the slides for tomorrow.

BRICK 4 · WRITE YOUR OWN SENTENCES · APPROX. 8 MIN ●●●

Write one sentence for each prompt with **have got** or **has got**. Check the subject of every sentence first.

01 Your workspace: "I've got … on my desk." — name two things that are there.

02 Your colleague: "She's got …" or "He's got …" — what does the person have that helps your project?

03 What you are missing today: "I haven't got … yet."

04 A question for your team before the meeting: "Have we got …?"

MINI-CHECK – CAN I DO THIS YET?

- ☐ I use have got with I, you, we, they and has got with he, she, it.
- ☐ I build the question by inversion: "Have you got …?" — with no do at all.
- ☐ I form the negative with not: "I haven't got …" and "She hasn't got …"
- ☐ In short answers I repeat have/has: "Yes, I have." — and I know that 's in "She's got …" stands for has.

Not every box ticked? Build the lesson once more and try this sheet again tomorrow.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.

BRICK 1 · SORTING

01 the project manager → **has got**
One person in the singular counts as he/she.

02 my two assistants → **have got**
Plural — the group counts as they.

03 Ms. Carter from accounting → **has got**
Ms. Carter = she.

04 you and Ben → **have got**
"You and Ben" is plural — like they.

05 the office printer → **has got**
A thing counts as it.

06 the new colleagues → **have got**
Plural — colleagues = they.

07 our IT department → **has got**
The department is a single unit — it counts as it.

08 you and I → **have got**
"You and I" = we.

09 Mr. Singh → **has got**
Mr. Singh = he.

10 the interns in Berlin → **have got**
Plural — interns = they.

11 the new coffee machine → **has got**
A thing counts as it.

12 the clients from Zürich → **have got**
Plural — clients = they.

BRICK 2 · FILL-IN

01 **have got** a new colleague
We takes have got.

02 **has got** enough paper
The printer = it — has got.

03 **haven't got** my access card
Negative with I: haven't got.

04 **Has** Mr. Singh got a free slot
Question: has moves before the subject — third person.

05 **hasn't got** the budget numbers
Third-person negative: hasn't got.

06 **Have** you and Ben got the updated agenda
Question: have moves before the subject; "you and Ben" is plural.

07 **have got** two tickets
They takes have got.

08 **has got** a noise filter
The headset = it — has got.

BRICK 3 · CORRECT

01 She **has** got a new company car.
Third person is has got — "haves" does not exist.

02 **Have** you got a moment for a quick call?
A have-got question uses inversion — no do.

03 I **haven't got** the password for the office Wi-Fi.
Negative: not straight after have — no don't.

04 He **has** got a second screen on his desk.
He takes has got.

05 "Have the clients got their visitor badges?" — "Yes, they **have**."
The short answer repeats have/has, not got.

06 Ms. Lopez **has got** the slides for tomorrow.
"is got" does not exist — here 's stands for has.

BRICK 4 · WRITE

Your sentences may differ — just check that have/has matches your subject and that got stays in place.

01 "**I've got** a headset and a big monitor on my desk."
I + have got; contraction I've got.

02 "**She's got** the login details for the new tool."
She = has got; 's stands for has.

03 "**I haven't got** the invite for the workshop yet."
Negative with I: haven't got.

04 "**Have we got** everything ready for the client demo?"
Question: have moves before the subject we.
