A1 PRONOUNS ≈ 27 MIN

Object Pronouns — *practice on paper*

You have built the lesson — now lock the seven object forms in, brick by brick. New examples, same single rule.

> Before the verb the **subject form**, after the verb or a preposition the **object form**: I → me · he → him · she → her · we → us · they → them

NAME _____ DATE _____

YOUR BUILD — 1 · SORTING ○ — 2 · FILL-IN ○ — 3 · CORRECT ○ — 4 · WRITE ○

BRICK 1 · SUBJECT OR OBJECT? · APPROX. 4 MIN ●○○

Read each pronoun. Is it acting — before the verb? → left column. Is it receiving the action — after the verb or a preposition? → right column. Turn each word into a mini sentence as you go!

I · me · he · him · she · her · we · us · they · them

SUBJECT FORM · BEFORE THE VERB	OBJECT FORM · AFTER THE VERB

BRICK 2 · FILL IN THE OBJECT PRONOUN · APPROX. 6 MIN ●●○

Fill in the right object pronoun. Ask yourself: who or what receives the action — person or thing, one or many? After a verb or a preposition it is always the object form.

01 There's a package at reception for _____ — can someone pick it up?

02 My colleagues asked about the deadline, so I told _____ the new date.

03 Do you know Mr Berger from sales? I share an office with _____ .

04 Lisa from HR sent the contract — please thank _____ from the whole team.

05 The printer is broken again, and IT still hasn't fixed _____ .

06 The whole team went out for lunch, and the boss paid for _____ .

07 The client wants to speak to _____ about the contract — are you free?

08 The meeting moved to Friday — please put _____ in your calendar.

YOUR BUILD · 1 · SORTING · 2 · FILL-IN · 3 · CORRECT · 4 · WRITE

BRICK 3 · FIND AND CORRECT THE MISTAKE · APPROX. 7 MIN

Each sentence hides exactly one pronoun mistake. Underline it and write the whole sentence correctly.

01 Please show I the new schedule.

02 The manager asked Sarah and I to join the call.

03 Could you explain to me the new tool?

04 Have you spoken with he about the budget?

05 I called they about the missing invoice.

06 Me and Maria prepared the slides for the meeting.

BRICK 4 · WRITE YOUR OWN SENTENCES · APPROX. 8 MIN

Write one sentence for each prompt. Make sure the pronoun after the verb or preposition takes the **object form**.

01 Your request in the meeting: "Could you show us the …?"

02 A new colleague joins the team: "Please welcome … to the team."

03 Your team lead Mrs Lindner: "Please give … the update before Friday."

04 Good news from the client: "The client invited … to the kickoff."

MINI-CHECK – CAN I DO THIS YET?

- ☐ I know the seven object forms: me, you, him, her, it, us, them.
- ☐ I use the object form after a verb: "Ask her."
- ☐ I also use the object form after a preposition: "This is for him."
- ☐ I no longer weigh up mich against mir — in English it is always the same form.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.

BRICK 1 · SORTING

01 **I** booked the meeting room.
"I" sits before the verb — subject form.

02 Please text **me** the address.
After the verb "text" comes the object form me.

03 **He** leads the meeting.
"He" sits before the verb — subject form.

04 I emailed **him** yesterday.
After the verb "emailed" comes the object form him.

05 **She** writes the report.
"She" sits before the verb — subject form.

06 We asked **her** for help.
After the verb "asked" comes the object form her.

07 **We** moved to the new office.
"We" sits before the verb — subject form.

08 The client visited **us** on Tuesday.
After the verb "visited" comes the object form us.

09 **They** work in Berlin.
"They" sits before the verb — subject form.

10 She gave **them** a tour of the office.
After the verb "gave" comes the object form them.

BRICK 2 · FILL-IN

01 a package at reception for **me**
After the preposition "for" comes the object form me.

02 I told **them** the new date
"Colleagues" is plural — object form them.

03 I share an office with **him**
Object form after the preposition "with"; Mr Berger is a man — him.

04 please thank **her** from the whole team
Object form after the verb "thank"; Lisa is a woman — her.

05 still hasn't fixed **it**
The printer is a thing — object form it.

06 the boss paid for **us**
Object form after the preposition "for"; "the whole team" = we — us.

07 wants to speak to **you** about the contract
Object form after the preposition "to" — you stays you.

08 please put **it** in your calendar
The meeting is a thing — object form it.

BRICK 3 · CORRECT

01 Please show **me** the new schedule.
After the verb "show" you need the object form — "I" is the subject form.

02 The manager asked Sarah and **me** to join the call.
Test: drop "Sarah and" — "asked me" works, "asked I" does not.

03 Could you explain **the new tool to me**?
Person first without "to" or thing first with "to" — "explain to me the tool" does not exist.

04 Have you spoken with **him** about the budget?
After the preposition "with" comes the object form him.

05 I called **them** about the missing invoice.
After the verb "called" you need the object form — "they" only appears before the verb.

06 **Maria and I** prepared the slides for the meeting.
Before the verb you need the subject form — "me" cannot be a subject.

BRICK 4 · WRITE

Your sentences may differ — just check that your pronoun after the verb or preposition takes the object form.

01 "Could you show **us** the new slides?"
After "show" comes the group receiving something — object form us.

02 "Please welcome **him** to the team — he starts on Monday."
A new male colleague — after the verb "welcome" the object form him.

03 "Please give **her** the update before Friday."
Mrs Lindner is a woman — after "give" the object form her.

04 "The client invited **us** to the kickoff."
After the verb "invited" the object form — the team = us.
