BRICK 3 · CORRECT THE VIDEO-CALL PHRASE · APPROX. 7 MIN

Each English sentence contains exactly one common error. Use the cue and rewrite the full sentence.

01 Screen check: Is the beamer visible to all? (use "screen")

.....

02 Call ending: We see us on Tuesday. (use "See you")

.....

03 Silent mic: You're in mute, Felix. (use "on")

.....

04 Poor sound: Maria, you breaking up during this call. (use "you're")

.....

05 Screen share: Let me to share the agenda. (remove "to")

.....

06 Recording: I'll send round after the call the file. (put "the file" before "round")

.....

BRICK 4 · WRITE YOUR VIDEO CALL · APPROX. 8 MIN

Write one or two English sentences for each prompt. Name the problem or action briefly and clearly.

01 Call start: check the sound and first slide with two short questions.

.....

02 Live problem: name a silent microphone and choppy sound.

.....

03 Presentation: announce screen sharing and then its end.

.....

04 Early finish: leave politely and promise the recording.

.....

MINI-CHECK – CAN I DO THIS YET?

- ☐ I check sound or the screen with a short question.
- ☐ I distinguish a silent mic, poor sound, and stopped video.
- ☐ I announce the start and end of screen sharing.
- ☐ I say "screen" or "projector," not "Beamer."

Still unsure? Name the visible or audible problem first, then choose the phrase.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.
