Preposition Collocations – *practice on paper*

You know the three chunk families; now reinforce dependent prepositions with fresh project, report, and application sentences.

Store	word + preposition	as one complete unit; remember the contrast	discuss + object	with no preposition.

BRICK 1 · SORT BY CHUNK FAMILY · APPROX. 4 MIN

Sort each complete chunk. The left column starts with an adjective or verb; the right column starts with a noun.

aware of the risk

ready for inspection

rely on local data

respond to the enquiry

wait for confirmation

reason for closure

need for storage

relationship with staff

difference between prices

experience of audits

NOUN + PREPOSITION

BRICK 2 · COMPLETE THE DEPENDENT PREPOSITION · APPROX. 6 MIN

Add exactly one preposition. Read the content word and its completion as **one complete chunk**.

- 01 Our final decision will depend _____ the safety test.
- 02 The applicant apologised _____ missing the deadline.
- 03 Nina is good _____ explaining complex figures.
- 04 The team is familiar _____ the new dashboard.
- 05 We need a solution _____ this scheduling conflict.
- 06 The update had no effect _____ response times.
- 07 Demand _____ weekend support has risen sharply.
- 08 All staff have access _____ the shared archive.

BRICK 3 · FIND AND CORRECT THE MISTAKE · APPROX. 7 MIN

Each sentence contains exactly one error in a fixed combination. Rewrite the complete chunk correctly.

01 We discussed about the revised timeline yesterday.

.....

02 Leo applied on a role in customer support.

.....

03 The delivery date depends from customs approval.

.....

04 Our client is angry about the account lead.

.....

05 There was an increase of support requests.

.....

06 She is responsible of the final handover.

.....

BRICK 4 · BUILD YOUR OWN FIXED COMBINATIONS · APPROX. 8 MIN

Write one English sentence for each prompt. Mentally underline the content word and preposition as one unit.

01 Adjectives: describe a team with two suitable adjective-preposition combinations.

.....

02 Verbs: report a decision with depend on and one other verb pattern.

.....

03 Nouns: explain a change with two noun-preposition combinations.

.....

04 Project update: combine one adjective, verb, and noun chunk in two sentences.

.....

MINI-CHECK – CAN I DO THIS YET?

- ☐ I store the content word, preposition, and short completion as one unit.
- ☐ I distinguish adjective, verb, and noun combinations.
- ☐ I use discuss directly with its object and no added preposition.
- ☐ I check German transfer carefully with apply for and angry with.

Still unsure? Circle the content word, add its fixed partner, and try the sheet again.

Answer key

Check only when you have finished. Every answer comes with the **why** — the rule matters more than the result.
